## 50th Birthday Planners Map 7-Day Affair

**Steering committee for Daly City's 50th Birthday Celebration has outlined plans for a full week of activities May 17-23 next year.**

**Tentatively scheduled projects for the city-wide event will be presented for approval in a mass meeting of community representatives on Wednesday, June 8, at 8 p.m. in City Hall, 75 Wellington avenue. All individuals and groups in the Daly City area who wish to participate in the celebration are urged to be present for the June 8 session.**

Two previous meetings each failed to muster more than 45 citizens in a city of 43,000. Since then, all local clubs, PTA's, service and church groups again have been invited to send delegates to the planning meetings. Committee assignments will be given each and every citizen who volunteers his ideas and time.

The steering committee last Thursday night authorized a kickoff contest to "name" the 50th birthday celebration. Persons wishing to submit a catchy title for the event are urged to fill out the entry blanks running in this paper and return same to the "Daly City Celebration Committee, Post Office Box 193, Daly City, California."

The committee will award a $50 U. S. savings bond to the contest winner. Deadline for submitting names is July 15.

The suggested schedule for the celebration, starting on a Sunday and ending the following Saturday:

SUNDAY—Religious services at local churches of all faiths to commemorate the city's 50th birthday. Open house and dedication ceremonies at various new Daly City-Colma schools. A giant parade, inviting marching units and bands from all over the Bay Area, would be held during the evening, followed by a big fireworks display.

MONDAY—"Youth In Government Day." Youngsters would be assigned City Council duties and would preside over the council meeting that evening. Earlier in the evening, a Student Band Concert will be presented, featuring musicians from several Bay Area high schools.

TUESDAY—A "Beard contest", with final judging early in the evening, and a street dance climaxing the event. Bowling tournament would start four-day run at Westlake Bowl.

## "Smitty" Retires After 16 Years As City Custodian

Elwin J. Smith, 70-year-old custodian for the city, retired Tuesday after 16 years on the job here.

Elwin J. would be better recognized by Daly City employees as "Smitty." He lives here at 26 Bepler street but tentatively plans to move to his son Elwin Jr.'s chicken ranch in Morgan Hill.

He has one other son, Jim, a cabinet maker for Stockton Lumber Company who lives in Burlingame. He has one daughter, Mrs. Dorothy Harmon, a Cupertino housewife.

Smitty was the recipient of a surprise party in the police squad room at City Hall last Wednesday. Helping to devour the 18 by 36 inch cake were more than 40 Daly City employees and Mayor Frank Pacelli. The employees purchased a going away present for Smitty, a portable television set and stand.

**"SMITTY" received this large going-away cake from employees of Daly City last Thursday. Elwin J. Smith, 70, retired last Tuesday after serving the city for 16 years. A custodian, he lives at 26 Bepler street but plans to move to Morgan Hill and live on his son's ranch. He received a portable television set and stand from fellow employees.**

CALLAN PARK ANNEXATION ISSUE

## Councilmen Scheduled To Set Special Referendum Date At June 13 Regular Meeting

**The petitioners fighting the Callan Park annexation Tuesday filed in Redwood City Superior Court their notice of intention to sue Daly City and the city council in an attempt to reverse the council's emergency ordinance which brought in the big tract.**

**Meanwhile, whether the lawsuit against the city will be allowed rests on the decision of the state attorney general's office. Daly City officials have been granted an extension of time in which to challenge the petitioners' request to the attorney general for permission to sue.**

Next regular city council meeting, Monday night, June 13, is expected to produce a decision by the council on setting the date of a special referendum election on the annexation. Two days later will be the city's deadline to ask the attorney general in writing, not to allow litigation over the validity of the emergency ordinance. This request, based on the annexation approval by four of the councilmen will be predicated on the assumption that this majority feel the emergency enactment was legal, claiming there was an emergency (freeway route negotiations) at the time—April 11, when the council's 4-1 vote on the two annexation ordinances was made.

Callan Park via the emergency ordinance has been a part of Daly City since April 11. A subsequent petition filed by the citizens' group against the second or regular ordinance (which would have made Callan Park Daly City territory in mid-May), in effect, suspended the regular ordinance.

The council at its last meeting unanimously agreed to a special election to let residents vote on Callan Park. This election is expected to be held this fall. There is a possibility, however, that should the attorney general refuse to allow litigation to determine the legality of the emergency ordinance, the council majority could reverse themselves and call off the referendum.

On the other hand, if prolonged litigation over the emergency ordinance is forthcoming, the council majority no doubt will follow through with the referendum. A rejection or affirmation of the annexation at the polls would settle the issue once and for all.

The homeowners whose names wer signed on the paper filed Tuesday in Redwood City are chairman Fred J. Walker of the citizens committee, Durand Marcus, A. A. Figone, William Calvert, Michael Amorose, Julius Castelan, Fernanda Goin, and Frank Garibaldi.

## *County Takes Over Broadmoor Library Service On July 1*

County Librarian Virginia Ross reminded today that beginning July 1, library service to Broadmoor-Garden Village residents will be supplied directly from the San Mateo County Library.

Initially, service will be supplied through the Colma Branch Library in the Colma Community Center on Dunks street. Plans are being developed for a possible relocation of the Colma Branch so that it will be more centrally located in the Broadmoor-Garden Village area. The Colma Branch will be open Monday through Friday, 2 to 5, and Monday, Wednesday and Friday, from 7 to 9 p.m.

County Library borrowers have access to the most recent publications as well as to the specialized resources and staff of a large library system. Total county library book stock is now over 165,000 volumes, and includes useful government publications, up-to-date pamphlet material and an outstanding collection of Californiana and local historical material.

Broadmoor - Garden Village residents are entitled to these services on the basis of their inclusion within the County Library system. These services and resources are available to the Daly City Library only on a contract basis since Daly City has withdrawn from the county library system.

Broadmoor - Garden Village residents are advised that their present library card will be good at the Colma Branch Library.

## Grenade Tossed Towards Home Brings Police

Broadmoor police Sunday night at 9:40 o'clock rushed to the home of William Kahle, 157 Second avenue, Colma, after the latter reported that a hand grenade had been thrown toward his house and lit up the yard with its explosion of phosphorescent light.

Chief Ray Savage said Officer Charles Manning found the grenade imbedded in a fence fronting the property — about 10 feet from the residence. Later police found an abandoned auto, stolen earlier in the evening from Gateway Chevrolet on Mission street, across the street from Kahle's home. The officers surmised that the same culprit was responsibile for the grenade tossing.

Savage described the grenade as the type used by Army personnel to light up darkened areas.

Kahle, at home with his family at the time of the incident, said he could not imagine why such an act was directed against his property.

## San Pablo Resident Arrested On Bad Check Charge

Sergeant Charles Terry picked up Donald W. Howells, 25, San Pablo, unemployed, last week on a Northern Judicial District Court warrant charging him with giving a fictitious check on September 12, 1959 to Gateway Chevrolet, 7400 Mission street.

It was found, by the Gateway manager, that Howells' bank account was closed and the $600 check Howells had given him was invalid. The manager made arrangements for the auto payment over a period of time but claimed Howells did not meet the requirements. The car that Howells had was repossessed. Gateway then found that some $300 damage had allegedly been done to the fenders and side of the car. Bail was set at $1050 cash or $2000 bail for Howells.

## Daly City Birthday

(Continued from Page 1)

WEDNESDAY—A concert by the Daly City Municipal Band, supplemented by a special Variety Show featuring Bay Area stage, radio and television personalities. Don Sherwood was mentioned as a possible master of ceremonies.

THURSDAY—Annual Chamber of Commerce golf tournament, YWCA fashion show, Lions Club art show and Garden Club flower show.

FRIDAY — Fishing derby, using big trout-filled tank from San Francisco; evening folk dance spectacle (invitational), plus continuance of art, and flower shows and bowling tournament.

SATURDAY — Exhibit of autos "through the years," Sports Celebrities Show (inviting 49ers and San Francisco Giants), and Grand Ball over which 1960 Miss Daly City will preside. It was suggested to hold the annual "Miss Daly City" contest, sponsored by the Chamber of Commerce, prior to the week-long celebration in order to have the winner reign over the celebration-opening Sunday paarde.

Committee chairmen— citizens representing all groups and clubs in Daly City—will be needed to make each individual activity a successe.

Financing is the immediate problem. Merchants are expected to participate as much as the Chamber of Commerce and the City Council—all of whom see the event as a golden opportunity to promote Daly City's residential and business stature.

Mayor Frank Pacelli said the City Council "probably will have to take the lead in the financing, but we have discussed this matter only briefly."

The mayor agreed with the steering unit that a considerable hunk of money would be needed "as a starter" to help pay for trophies and materials needed for the many celebration activities.

A rough guess is that at least $5000 will have to be raised as a minimum fund.

The day-by-day events outlined above are by no means finalized, and are subject to ommissions and additions at the June 8 session.

Chairmen Arthur Bodien and Mel Battye on June 8 will begin committee appointments.

If your group or you individually want a part in Daly City's 50th birthday week, then you should attend the meeting next week.

Again, it starts at 8 p.m. at City Hall.

## Vincentian Salvage Drive Runs June 5-15

Do you want to do something about those jammed up closets and that cluttered garage? The Society of St. Vincent de Paul advises that you can write off that Spring Cleaning worry by joining in their Annual Salvage Drive that runs from June 5 to June 15. Useable discards of clothing, furniture, baby goods, and appliances are vitally needed by local Vincentians for their year around charitable work among needy families of all races and creeds.

Last year Vincentians throughout the Archdiocese of San Francisco distributed over $140,000 of aid and assistance through its nine councils located throughout the Bay Area. You can join in this charitable service and put your useable discards back to work by calling you local St. Vincent de Paul Salvage Bureau for pick-up service.

## Girl Scouts To Stage Massive Folk Dance Festival Saturday

Approximately 300 Girl Scouts from 22 troops will participate in a Folk Dance Festival this Saturday at Marchbanks Park.

The event will start about 11 a.m. and end about 2 p.m. The girls will have lunch afterwards. Coffee and cokes will be on sale.

Mrs. June Strong of South San Francisco has again acted as instructor for the group.

There will be 12 dances in all, four of which are new this year.The new dances are Chester Schottische, Badger Gavotte, Danish dance, and Old Dutch dance.

Other dances will be Circle Schottische, Weggis, Pop Goes the Weasel, Oklahoma Mixer, Chimes of Dunkirk, and Seven Steps.

The music will be by records.

Very colorful costumes have been made by mothers and Girl Scouts, too, who are working toward their Folk Dance Badges. Flag poles will display the same colors as the costumes.

Mrs. Mil Kraus, chairman, was assisted by the Mesdames Martha Dignam, Marlene Taylor, and Mildred Wendt.

The public is invited to attend the affair. Girl Scouts from Broadmoor and Westlake are invited as guests.

## Trustee Says Schools Need More Funds

Trustees of the Jefferson Elementary and Jefferson high school districts have directed letters to PTA and community groups urging support of Proposition No. 2 in the June 7 primary election. Providing for a state school building loan bond issue of $300,000,000, the passage of this proposition would allow the state of California to make loans to meet school building needs in local districts. The districts would agree to make repayments over a 30-year period to the extent that a specific local tax will meet the obligation.

The Jefferson Elementary School District has built, during the past year, Thomas Edison, Abraham Lincoln, Daniel Webster, General Pershing, Olympia addition, Jefferson addition, and the Fernando Rivera schools on funds made available from the State of California. Under construction in the immediate future are the George Washington School, the additions to Benjamin Franklin, Thomas Edison, Abraham Lincoln, Daniel Webster, a school in Westlake Unit 11, and the Christopher Columbus School.

"We estimate that we will need to use 14 million dollars of funds from the state under this loan program," said Richard L. Foster, district superintendent. "A failure of Proposition No. 2 would be disastrous to our children. We urge total community support."

## Callan Pledges Work To Trim 'Tax Burden'

Supervisor Thomas J. Callan Sr. today expressed his "thanks" to the hundreds of volunteer workers who have aided in his campaign for re-election at the county-wide voting next Tuesday, June 7.

Callan, who is presently chairman of the county board of supervisors, said: "It is extremely gratifying to have had so many of my friends generously offer to work in my behalf.

"I sincerely appreciate the vast amount of time and effort these good people have contributed to my campaign during the last few months," Callan declared.

He further stated: "I am aware that residents here are concerned about increasing local taxes and more than ever will be looking to their elected representatives not only to find means to reduce the cost of county government, but also seek new sources of tax revenue to lessen the individual tax burden."

Callan, a substantial county property-owner, pointed out that an examination of his own annual tax bills provides him with an added incentive to check county spending by holding-the-line on any unnecessary expansion of present county services and unwarranted increases in the county payroll.

In reviewing his accomplishments during his eight years on the board of supervisors, Callan said that he is particularly proud of the fact that San Mateo County has always had the lowest per capita cost of any county in the state.

"We have established this fine record of low cost county government," Callan explained, "without a sales tax, which every county in the state has, except two — San Mateo being one of the exceptions."

### Daly City Sailor Awaits Promotion

Nineteen young ladies will parade their talents starting at 7:30 o'clock. The finalists will compete on June 16 at the Steak Pit.

## Westlake Blues, Of Junior Bowl League, Cinch Division Title

By Bob Sexton

Last Friday the Westlake Blues, of the S.F. Junior Traveling League, cinched the championship in the American division of the all-star loop by downing a very stubborn Park Sweeper team in the third and deciding game.

The Westlake team was led by the consistent Steve Bonuccelli who had a 570 series off games of -96-193-181. This assures the Blues a 50-50 chance against the National division leaders, also a Westlake team, the Westlake Reds. The World Series of Junior bowling for the San Francisco area is scheduled for Friday, June 3, at Westlake when the Blues and the Reds square off for the 6:30 p.m. Traveling League championship.

There is a third team entered in the league, the Westlake Greens. Last Friday was as important to them as it was to the Blues. They won two games and closed the lid on second place in the National division. The power came from Jerry Tissier, one of Westmoor's outstanding athletes. Jerry shot a 526 series, backed up by a 208 game.

Westlake kids holding leading positions in the Nor-Cal Junior championships at Modesto survived the final week and will now be looking forward to the awards that will be forthcoming. Stephanie Singer is the "Bantam 12 and under" singles champion and runnersup in the all-events division while the Junior Gals team composed of Joann Pollat, Tommye Foster, Sharon Sysvester, Pat Marks, and Marg Clark now have the honor of being the Junior division girls team champs.

Looks like it will be a big summer for Junior bowlers at Westlake as sign-ups for the soon-to-begin summer leagues are coming in by bunches.

## LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

An open letter to what we hope aren't closed minds.

Ernie Ribera, track coach at Westmoor High School, recently sent us a letter and at the end put, "Yours in track,' and then signed it. How beautiful. How sincere. How directly to the point.

Look in any form book and they would never recommend this. The "formed, formal, formented" minds would insist on "Respectfully yours," or some like type of unmeaningful garbage.

If Khrushchev should decide to drop a bomb on our heads he would probably receive a letter from the State Department demanding an explanation. At the bottom would be "Cordially yours, . . .".

Perhaps some thieves write to each other. They may ask, "How about 100 cases of marijuana?" Then at the end sign it, "Respectfully yours, . . ."

Or how about a Hollywood actor sending his 10th wife a letter while he's on location. The ending being "Truly yours" of course.

We're waiting to see a court summons with that perfect expression at the bottom, "Cordially yours."

Miss Emily Post would probably tear her hair out if she read this. But "Miss" Post probably missed Mrs. because she did everything so perfectly no one noticed her. If she would have only picked up the salad fork while eating her meat or better yet not cut that two-foot-long piece of spaghetti.

We used to sign all our letters "Arriverderci Alligatori." That's Italian for "See you later, Alligator." But that phrase has become passe and one of our friends has picked up the battle cry. (It wasn't copyrighted.)

We've thought up a couple endings of letters you might like to use.

"Not respectfully, not cordially, not truly, but yours anyway . . ."
"Congratulations on your new son, may all his teeth be dull ones . . ."
"Thanking you in advance for the advance . . ."
"Still eating Wheaties . . . F.S."
"Yours in housework . . ."
"Yours in Printing . . ."
"Not yours . . ."
"Mine . . ."

Just as bad at times is the start of a letter. There's only one thing worse than a man writing to another man with an opening of "Dear Sir." The "dear" sounds foreign to our customs, doesn't it Mr. and Mrs. Jorgensen. The only thing worse is sending a letter to a woman and starting out "Dear Sir."

May all your leaps be long enough,
Lou Lucia

## Jefferson Classroom Teachers Elect Belforte New President

The Jefferson Classroom Teachers' Association recently installed the following newly elected officers for the 1960-1961 school year: John Belforte, president; Michael Pennings, vice-president; Barbara Busetto, secretary; and Betty Boykin, treasurer. Installation ceremonies were conducted by Elvera Cody and Mae Varni, first J.C.T.A. president.

The J.C.T.A. also announced that the Red Chimney in Stonestown would be the site of their annual association dinner. The affair, to take place on Saturday, June 4, will include recognition of all past-presidents of the J.C.T.A.

Mae Varni, Ethel Hahn, Hester Blaylock, Otha Kinsey, Don Pagani, Hortense Sundman, Ethel Woods, Jim Hough, Ed Edwards, Dennis Huajardo, Charles White and Carroll Martindale.

It is interesting to note that although there are 12 names in the above list, Hester Blaylock has served several times since the inception of the organization in 1946. Also worthy of mention is the fact that all of these people are still active in the school district.

Honored guests for the June 4 affair will be the Jefferson Elementary School District Board of Trustees, which includes Mrs. Katherine R. Mullen, Thomas Noonan, Frank Verducci, O. Wayne Douglas, and Joseph Lewkowitz.

Membership in JOY is open to teenagers whose parents are members of Congregation Judea, and their friends.

### Scout Troop 243 Cites Performance At District Camporee

"Leaders of Boy Scout Troop 243 were "very happy" with the showing their boys made in the recent Lake Merced District Camporee.

Although no patrol won the coveted "A" banner, all scored very high in the "B" group. Special praise went to the team of Bob Abigana and Mike Hall. With only two boys representing the patrol, their score was on a par with the scores of the larger groups.

The boys camped overnight in Golden Gate Park, prepared their own menus and did their own cooking. They returned home on Saturday night after a campfire ceremony.

Scoutmaster Stan White and Assistant Scoutmaster Harry Hettel supervised and instructed the group.

Mrs. Clifford, Mr. and Mrs. R. Vogt, Mr. and Mrs. Jack Morgan, and Ed Ciabattari handled the transportation.

## Three Children Taken From Home For Own Welfare

Three brothers, two, four and five years old, were picked up by police and transported to Hillcrest Juvenile Home after Police Officer Tom Culley believed their home environment to be improper.

The trio, taken into custody under the Welfare and Institutions Code, had told Culley they couldn't remember the last date they had bathed. Culley said that they had been playing in front of the War Memorial Community Center last Monday and almost caused a multiple car accident by running onto Mission street.

Culley said they were very dirty and as long as he could remember never wore shoes. The children's home was said to be kept in a disorderly manner and Culley did not believe that the boarder doing the the baby-sitting was doing her job correctly. The children had been removed from the residence once before.

## RED CROSS NOW ACCEPTING FOR CHILEAN RELIEF

Local Red Cross chapters in the Bay Area will serve as agents to accept cash contributions for relief of victims of last weekend's earthquakes and tidal waves in Chile, Charles W. Fay, Chairman of the Golden Gate Chapter of the American Red Cross, announced today.

The Chilean Ambassador to the United States, Walter Muller, has requested that Red Cross, as the world's officially recognized disaster relief agency, serve as a channel for relief.

Fay announced that all funds received by Red Cross will be used for relief of the Chileans without one cent being taken out for handling costs. Donations should be marked "Chilean Relief" and sent to the nearest Red Cross chapter. Because of the high cost of handling and shipping, clothing or other commodities cannot be accepted by Red Cross, Mr. Fay said.

### Trampoline Center Offers 'Jump For Fun' Supervision

Bud Brody, owner of the Jump For Fun Trampoline Center, 2450 Junipero Serra boulevard, invites residents to partake in what he calls "America's fastest growing sport."

The trampoline center, near the Serra Theater, opened last Saturday. In addition to the 50-cent per half hour of trampoline jumping, Brody notes that kiddie rides are available. Brody added that supervisors are efficient and well trained in the school of trampoline.

The 20 trampolines are open from 10 a.m. to 10 p.m. Saturdays through Mondays and 10 a.m. to 3 p.m. Tuesdays through Fridays.

FIRST officers of newly formed Thomas Edison School PTA (left to right) are Mrs. E. The highlights included a fashion "tour" of the zoo, Chinatown, Nob Hill, a trip to Candlestick to visit the Giants, and welcoming of Khrushchev and General De Gaulle. Some of the models were (from left to right): Andrea Vozzo, Cathy Williams, Pam Serino, Desiree Serino, Charlene Armstrong, Diana Puccini and Marlene Rodriguez.

# MORMON LEADERS HEAD 2-DAY CONFERENCE IN SAN FRANCISCO

Two prominent leaders of the Church of Jesus Christ of Latter-day Saints (Mormon) will address a two-day conference of the Church's San Francisco Stake Saturday and Sunday, June 4 and 5, in San Francisco.

The visiting officials are Elder Howard W. Hunter, a member of the Council of Twelve Apostles, and Elder Walter Dasie, a member of the General Welfare Committee.

Saturday evening meetings will be for leaders of the local congregations. Sunday's general sessions, open to the public, will be held at 10 a.m. and 2 p.m.

Stake President Irvin Glade Derrick, 408 Skyline drive, Daly City, will conduct the meetings.

Elder Hunter was a prominent southern California lawyer and businessman before his call to the Apostleship on October 10, 1959. He has served the Church as a bishop, stake high councilman, and as president of the Pasadena Stake.

Elder Dansie is a director of the famed Church Welfare Program.

All conferences held in 1960 will focus emphasis on youth development as part of a special Church-wide parents and youth program launched early this year by Church President David O. McKay.

Conferences are held four times each year in the nearly 300 stakes (regional divisions) of the church. Church leaders regularly tour the 50 missions throughout the world where more than 6,000 young missionaries are engaged in proselyting activities, each paying his own expenses for a period of two to three years.

## Visiting Hours At Ft. Miley Hospital Told

Dr. Thomas P. Crane, manager of the Ft. Miley Veterans Administration Hospital in San Francisco, announces changed visiting hours, effective June 1, 1960, which should be beneficial to patients and visitors alike.

The new hours are, according to Dr. Crane, from 11 a.m. until 8 p.m., seven days a week—holidays included.

Almost five thousand patients coming from all parts of Northern California are hospitalized yearly at this veterans facility. Many more thousands of visitors should be pleased with the opportunity of visiting any time during the new nine-hour daily visiting period—as contrasted to the four - hour period in the past.

"It should be pointed out," states Dr. Crane, "that while we always encourage visiting for the good of our patients, children under 15 years of age are not permitted on the wards except under unusual circumstances, such as terminal cases—and then only with the physician's approval."

"It is beyond a doubt that everyone should have time for some special delight, if only five minutes each day to seek out a lovely flower or cloud or star or learn a verse or brighten another's dull task. What is the use of such terrible diligence as many tire themselves out with, if they always postpone their exchange of smiles with beauty and joy and cling to irksome duties and relations?" —Helen Keller.

# THE TRUE FACTS IN THE CALLAN PARK ANNEXATION

(First in a series of weekly articles)

**SINCE, by petition, a number of Daly Citizens have indicated a desire for the Callan Park Annexation to be put before the voters for decision, we would like to present our views for your consideration. Perhaps in this way, some of the confusion, misrepresentation and false impressions may be eliminated.**

**First of all it must be recognized that a well-financed, organized campaign to prevent the annexation of Callan Park to Daly City is well under way. There are many reasons for this, and they aren't very nice. Greed, for example. Spite, selfish interests and obstructionism are other unpleasant factors causing the highly-exaggerated charges and vicious rumors that unfortunately have occurred.**

**We have nothing to hide. We believe in this development and we believe it will prove of tremendous importance to Daly City's future, just as Westlake has become a proud addition to the community.**

**Here are some facts worthy of your consideration. Discuss these with your neighbors and friends and see if you don't find that they make good sense.**

**Added population will make it the second largest city in the county.**

**As one of the county's largest cities, it gains political strength in matters affecting its interests in the county and in the state.**

**A larger city, supported by an adequate tax base, can afford the highest level and quality of public services.**

**The building industry has been an important part of the economy of Daly City. Annexation and development will help sustain the industry that helps sustain the community.**

**The best city is a balanced city. A balanced city has industry and commerce, good local government, schools, hospitals, libraries, churches, cultural and recreational facilities, and a balanced population to provide the executive, professional, technical and skilled working forces needed to operate all these activities. Larger area and population contribute to this balance.**

**Added population increases subventions from the state.**

**Added population, particularly when combined with both neighborhood and regional shopping centers, generates sales tax revenue.**

**These added revenues provide all local governmental services required by the added area and population, yet at the same time ease property tax burdens in the entire city.**

**Gas tax revenue produced by new population in a new area would benefit the present city area exclusively for at least seven years, before new streets need major attention.**

**The city acquires the new area and population with all required public works installed and paid for.**

**Unless this added area is taken now, Daly City resigns herself to no future growth.**

**Don't be duped by hysterical claims that are nothing more than an effective smokescreen.**

**Michael C. Callan Thomas J.Callan Jr.**

Supervisor Alvin S. Hatch has served with distinction on the San Mateo County Board of Supervisors for the past 24 years.

A county-wide citizens' committee has been formed to assist Supervisor Hatch in his bid for a seventh term. He has served as board chairman eight times. During his tenure in office, the county has achieved the position of having the lowest per capita cost of any county in the state and at the same time provides the highest standard of service.

A few years ago, in recognition of his ability as a county legislator, Hatch was elected President of the County Supervisors Association of California.

Supervisor Hatch, who resides in Half Moon Bay, was born on the Coastside. His parents settled in that area in 1854.

Always a leader in public affairs, Hatch assisted with the formation of the first elementary school district on the Coastside and served on its board for 30 years. He also helped establish the county's planning commission and was a board member of that group for several years. Prior to his election as supervisor, Hatch aided in the setting up of the county's first recreation commission.

Hatch was one of the leaders in the long successful fight to retain the Butano Forest as a public-owned scenic and recreational area.

His untiring efforts on behalf of the Pillar Point Breakwater, now under construction, are well known to his thousands of friends on the Coastside and throughout the county.

In 1932, as a member of the County Board of Freeholders, he helped write the charter which resulted in a more efficient form of county government.

Supervisor Hatch was engaged in the lumber business on the Coastside for over 40 years. His retirement several years ago has permitted him to devote almost full time to his supervisorial job. He is presently a member of the Board of Directors of Joint Highway District No. 9, comprising San Francisco, San Mateo and Santa Cruz counties.

Supervisor Callan told of the county charter providing the foundation for acquisition and development of the parks and recreation services through the cooperation of all county departments. "Junipero Serra Park is the result of planning, youth groups, and excellent reporting of the newspapers of the programs and developments of the county parks system," he said. He asked that their excellent work continue to meet the increased leisure time needs of senior citizens, youth groups, and all of the people of the county.

# Wexler Urges 'Full-time' Juvenile Court

As the result of an intensive appraisal and study of the administration of justice in San Mateo county, Louis E. Wexler, candidate for judge of the Superior court, strongly urged today that the superior court establish a separate, full time juvenile court to administer and be responsible for the problems of today's youth on a uniform basis.

As the situation now exists, Wexler continued, the juvenile judge is now appointed on a six month basis from a revolving selection of the superior court and this judge spends approximately two days a week in this position during that time. In addition, the jurist has to continue a full docket in Redwood City. The judge can neither adequately deal with pending cases nor can he spend the necessary amount of time on the problems of welfare, youth rehabilitation or family relationships. There is also no time for the continuing education of the jurist in this ever changing field.

# 80-Year-Old Man Flies East, Cooks Dinner For 40 At Party

An 80-year-old who "likes to help somebody who can't help himself" flew by jet to Quincy, Massachusetts on April 9 for a month's vacation and while there cooked at his own dinner party for 40 people.

Members of the Daly City-Colma Eagles would know that the 80-year-old must be Larry Shaw, past president of the organization. Shaw is currently custodian of the Eagles' hall.

Larry, still with enough of a monk-type hair cut and wiry build to make him appear much younger, is one of seven charter members of the local Eagles, being a 51-year member.

He left by jet on April 9, the flying time being four hours, discounting the three-hour change of time zones. He was surprised to find 35 people awaiting him at the airport.

Shaw renewed acquaintanceships with people he hadn't seen in 47 years though he had traveled to the East six years ago.

Larry was most impressed by the people he met though he did enjoy his sightseeing at Plymouth Rock. To depict how sharp Larry's mind is, he took out a ruler and measured the rock and found that it is only 4 feet 6 inches wide.

Shaw also visited in the states of New Hampshire and Maine. A fireman, here in Daly City for 37 years, he took "it easy" with the gravy when preparing a macaroni dinner for 40 people at his birthday dinner party. He was completely outfitted via gifts from relatives and friends.

Larry recalls his sister telling him that her 18-month-old son would one day be a lawyer. Today Larry's nephew is an instructor of law at Duke University and an adviser to the government.

Shaw received an escort that any dignitary would be proud of when returning to the airport. Another nephew, head of the County Health Deparment in Quincy, drove him to the airport with siren wailing along the way.

Shaw is a former San Mateo County chairman for the old age pension plan and is currently chairman of the old age and social security pension plan of the Eagles. He has helped more than 300 persons receive old age pensions here. He lives adjacent to the Eagles Hall at 9 Shakespeare street.

Larry has his 1961 vacation all planned. "I think I'll fly back to Quincy again," he stated.

## Lawrence Welk Says 'Kids Practice, But Not Enough On Music'

By MONA BAKER

"Today's youngsters are too interested in outside activities and follow the ball instead of the note," was the sage observation made by Lawrence Welk as we discussed the importance of music in the lives of young people in a telephone interview with the genial television star last week from Hollywood.

When we learned that we would have an opportunity to chat with Mr. Welk, we thought it would be a good time to find out for parents who are anxiously looking for an incentive that will make "Junior" want to practice, just how to convince "Junior" what an important part of his future music can be. We felt that maybe Mr. Welk, one of the nation's top musical stars (ABC, KGO-TV's "Lawrence Welk Dodge Dancing Party," Sat. 9pm) would know a magic formula for success which we could pass on. When we questioned him, he said he "didn't" because if he had, his own youngsters would be having a musical career today. He said they now have regrets because they didn't practice as much as they should.

LAWRENCE WELK

However, he did pass on several words of advice. A most practical suggestion he made was to have youngsters listen to recordings of an accomplished musician they like, and then try to play as the artist did. The most important advice that he felt he could give to young people was "follow Christian principles."

Certainly a budding musician looking for inspiration could find no better example than Lawrence Welk, whose program has received many awards and citations—the latest from Middle Tennessee Radio and Television Council naming his show the best network musical program in the nation.

One of eight children, Lawrence Welk lived with his family on a farm in North Dakota. In between homework and farm chores he practiced long hours on his accordion. Today, a fine musician, he is leader of one of America's most renowned bands and star of one of the nation's top network shows.

There is a wholesome freshness about the program that makes for splendid family entertainment. Skillfully produced, the show manages to maintain a careful balance between showmanship and overproduction. The settings for the various vocalists are sheer delight.

We questioned Mr. Welk about plans for fall and if there would be any new innovations. He said that the format will remain the same because it has been so successful. He did add that "they will strive for a higher stage of perfection."

Plan to make the Welk show over KGO-TV a Saturday night viewing habit, and if perchance you have company, roll back the rugs and dance to his "danceable" and melodic "Champagne Music Makers."

## World's Best Circus Performers In Knights Of Columbus Show

The 1960 edition of the sparkling Knights of Columbus circus produced by Polack Bros. opens this Wednesday in San Francisco.

The huge assembly of circus stars from around the world are at Civic Auditorium for 5 days, ending this Sunday, June 5, featuring such headliners of the big tops as Pat Anthony, known among competing wild animal trainers as the "most nervy." Anthony appears in a series of amazing feats with 13 jungle bred lions and tigers.

From Greece, comes John Joanides, said to be the greatest combination of slack wire artist and juggler to be featured in this country.

Jeannine Pivoteau, Paris born, blond and beautiful, is the toast of aerialists in her native France.

Germany's gift to the American circus scene are the Five Fredonias, whose form of artistry is foot juggling of human beings. Their feats have never been duplicated.

Italy's contribution are the Rebertes, an act on the European scene of circusdom for many generations. Their amazing acrobatics featuring the startling hoop jump was originated by their grandfather. They were originally brought to this country by Ed Sullivan.

A reverse among artists from foreign countries is Jacqueline Hurley, an American artist from Boston, who won fame in Europe. Her agility, timing and precision in acrobatic performance is generally attended by performers from behind the scenes.

The famed Flying Alexanders, paramount on the flying trapeze, have won applause of audiences on both sides of both oceans. Fay Alexander is the only contemporary flyer doing the triple somersault.

Mexico's representative to the internationally flavored circus is Senor Cardona in his breathtaking "cloud swing." This Latin daredevil performs on a single, simple rope without safety devices.

To the delight of both young and old will be the presentation of the Golden Kids. Yvonne, 9, Rene, 7, Naida, 5, and Desiree, 4, offspring of Joanides Family who have been in circus for five generations. These talented youngsters ride a one-wheel unicycle with greater ease than most kids ride a two-wheel bike.

The Luvas Duo, Trudy, the mother, and Peter, the 20-year-old son, have won fame as exponents of the high trapeze. They appear in their world famous perilous calf-to-heel slide.

In addition to Alaskan Huskies from the 49th state, other delightful animal acts include the Besalou elephants from Cambodia. They are rated as five of the most highly trained ever brought before an American audience. They are under the direction of Mack and Peggy MacDonald.

As an animal trainer, Bob Nelson has proven the exception in his field. His billing reads: "Nelson's Trained Pigs." They told him it couldn't be done; that pigs were the most stupid of animals. But Nelson was convinced that it was their natural stubbornness that had given them their erroneous reputation. He has proven his point to the delight of thousands of spectators.

Adolph and Clare Delbosq of England and Czechoslovakia, respectfully, featured in their highly amazing equestrian presentation, have been justly identified without peer in their world of circus. Their crowning feature is Serenado, the Musical Wonder Horse, who dances and plays musical instruments. Serenado has been viewed by many thousands in movies, T.V., theatres, radio and even concerts. He has been awarded many ribbons and trophies. Adolph has trained many horses for motion pictures including Gene Autry's horses.

An army of European and American clowns are featured in a series of new and comical maneuvers. Fast gaining attention in Clown Alley is Peluza, in private life 18-year-old Javier Esparza of Mexico City.

## St. Martin's Families Await Annual Picnic

Highlighting St. Martin Episcopal Church calendar for June are several important events sponsored by St. Mary's Guild.

Following 8 o'clock Holy Communion at the church in Westlake this Sunday (June 5), St. Martin's families will drive to the Bishop's Ranch, located five miles from Healdsburg, where the annual parish picnic and outing will be held. Following church service, families will gather together for a picnic lunch and afternoon of games and swimming in the beautiful pool located at the ranch. Coffee and popsickles will be provided by St. Mary's Guild.

Another outstanding activity for St. Martins is on June 14 at 6:30 p.m., when St. Mary's Guild will hostess a potluck dinner for all the women of the church. A highlight of the evening will be an informal address by Mrs. James Pike, wife of the Rt. Rev. Bishop of California, James Pike.

### PUPPET PLAYS ENTHUSE PUPILS AT VISTA MAR

Vista Mar School's first and second grades have been entertained and motivated by the puppet plays produced by Mr. Don Knudsen's fourth grade class.

The six puppet plays were an outgrowth of a language arts activity in outlining, and correlated with stories from their readers. The boys and girls outlined the important parts of the stories, and then rewrote the scenes for production. Scenery and hand puppets were also constructed by the students in the class.

This activity has further inspired creative writing of original puppet plays to be written by the class.

# 'PLAYER OF THE YEAR' TO KROHN

## JEFF BRAVES WIN CROWN

Bob Miller's three-hit 6-3 victory over South San Francisco last Friday wrapped up a second straight championship season for Jefferson High's frosh-soph baseball nine.

Coach Harry Vaplon's young Indians finished atop the Peninsula League with an 11-3 record. San Mateo was next with 9-5.

Miller was the loop's leading hurler with a 7-2 mark. First baseman-centerfielder Richard Reitz and second baseman Mike Rovai were Jeff's batting leaders.

Other standouts for the Indian champs were Al Cascicedeo, Dan Luciano, Larry Keeling, Mike Morton, Darwyn Haanen, Bob Brush, Joe Bollentini and Carl Carpenter.

Last season, Vaplon's Jeff nine staged a torrid second half comeback and sensational winning streak to take the Peninsula crown. This time the Indians were near the top of the pack all the way.

LOSBERGER TO COACH SATURDAY

## SIX LOCAL BASEBALL PLAYERS CHOSEN FOR SENIOR TILT

Six local athletes were chosen by Peninsula League coaches for this Saturday's PL vs. South Peninsula Athletic League All-Senior baseball game at Stanford's Sunken Diamond at 11 a.m.

In addition, pennant winning Westmoor Coach Rod Losberger will skipper the team while receiving valuable aid from South San Francisco Coach Bob Brian, last year's head mentor.

Spectators, for the tariff of $1, can watch Jefferson's Karl Keeling, Rich Mortola and J. B. Berry and Westmoor's Ed Walthard, Bill Dougherty and Tom McHugh taking their licks against the SPAL pitchers.

The Peninsula League representatives, with batting averages and pitching records compiled through the first 12 games, are:

| POSITION | PLAYER | TEAM | BATTING |
|---|---|---|---|
| First Base | Bill Dougherty | Westmoor | .448 |
| | Al Larkin | Burlingame | .308 |
| Second Base | Karl Keeling | Jefferson | .421 |
| | Ray Ming | South City | .235 |
| Third Base | Dixie Howell | Capuchino | .466 |
| | Rich Mortola | Jefferson | .432 |
| Shortstop | Jerry Scott | San Mateo | .333 |
| Catcher | Ed Walthard | Westmoor | .265 |
| Outfielders | John Hansen | San Mateo | .482 |
| | Ron Peters | Hillsdale | .429 |
| | J. B. Berry | Jefferson | .316 |
| | Tom McHugh | Westmoor | .300 |
| | Bill Kearney | Hillsdale | .290 |
| Pitchers | Lary Werner | Hillsadle | 3-3 |
| | Fred Suggs | San Mateo | 6-2 |
| | Dan Emmett | South City | 4-4 |

HE RETURNED FOR A SECOND TOO!

## Herbst Sets New 330 North Coast Record As Rams Take Third

Westmoor's trackmen apparently don't believe what they read and as a result nailed down third place in Class B competition, with 150 other schools trailing them at the North Coast Section meet in Berkeley last Saturday.

Not picked to finish within the first ten schools by many of the Peninsula papers, the Ram B's collected 26 points to rank close behind San Mateo (32 points) and Ravenswood (28 points). Pittsburg was right behind the Rams with 25 points.

Jim Buccelli ran the best race of his athletic career but had to settle for third place with his 1:24.4 in the 660. He was but a yard and a half from first place at the tape.

George Herbst, a team co-captain, flashed to a new North Coast record in the 330 yard dash with a 35.6 clocking. George took a yard lead with approximately 50 yards to go and led all the way. The old mark was 36.1, set by Mac Eng of Antioch in 1957. Herbst was tired from his record breaking 330 run and started out slowly in the 150. Yet, he found reserve strength to zoom into second place at 15 seconds flat.

The Tom Dake rivalry with Dan Noce of San Mateo was renewed with Dake flying home first at 13.4 while Noce placed third. It was the second North Coast section 120 low hurdle championship for diminutive Tom. Dake took a one yard lead at the second hurdle and forged ahead to win by three yards.

Westmoor closed out its point accumulation by finishing fourth in the 440 yard relay. Buccelli, Herbst, Dake and Walt Prouty had a stop watching of 44.6.

## Davila Breaks Record For North Coast 1320

**Anibal Davila, Jeff High's junior distance runner, sparkled like a flare at midnight during the North Coast Sectional meet at the University of California last Saturday.**

**Davila's winning time of 3:12.6 in the 1320 broke the old mark of 3:13.9 as set by Keith Wallace of Piedmont High in 1956. Very runnable Anibal had a hairline race with Nueve of Antioch. Davila led all the way and fought back all challengers except Nueve who kept on his heels.**

The clutch performance, with representatives from 13 different leagues and more than 190 high schools, was called the "best race I've ever witnessed" by Jeff Coach Bob Watt. .....

....Another Jeff lad, Bob Alverio, could also hold his head high. Alverio moved up through the pack during the last lap to capture third place. ..... .....

....Not to be outdone was Willie White, Indian star high hurdler. White could have just as easily been second as well as fourth. The second through fourth places was nose close at the finish, and White's proboscis must have been the smaller of the three. The winning time for the event was 9.1.

Thirteen Jeff tracksters, including the above three phenoms, will compete at the Hollister Relays this Friday.

## Mills Wins Last Game From Rams

Westmoor's almost all-senior team held a 2-0 lead over Mills before reserves allowed three runs in the bottom of the seventh inning to the Vikings last Friday in the league finale.

The champs gave lefty senior Dick Reese a 2-0 lead but reserve Doug Eastman, making his first PL appearance was scored upon three times to get the loss. Other seniors, outside of Reese, who started were: Ed Walthard behind the plate, Bill Dougherty at first, Jim Heick at second, Tom McHugh at third and Bill Reynolds in center. Reserves who played the outfield were Cornell Holmes and Ron Tounsend.

Tounsend singled to center in the fifth. He moved to third as Reese walked and Barry Krohn, pinch hitting, singled infield. Terry Christman walked to force one run across and Reese scored on Don Katona's sacrifice fly. Reese walked one and struck out four in five innings while Eastman walked two and struck out one. Reese gave up four hits while Eastman had three blows against his record.

GEORGE CLAUS, Jefferson shortstop, helps to mold the infield into a strong defensive unit. Claus stroked .372 for the Frosh-Soph nine last year. He hasn't been hitting that well this year but has displayed good glove work.

### WOMEN'S GOLF CLUB FORMING IN PACIFICA

The past few weeks a golf instruction class has been conducted by Pacifica's Park, Beach and Recreation Department under the direction of recreation leader Elmer Harris.

The ladies in this class have generated such an interest that they are organizing a Women's Golf Club. This club will be for any interested women golfers in the Pacifica area. Handicaps will be established and matched play will be arranged.

## JEFF CLINCHES FOURTH SPOT WITH ONE WIN

Jefferson clinched a high league ending but dropped to fourth spot by losing two of the last three baseball games.

Don Staff's two-hit pitching was good enough to beat Mike Claudon's one-hitter as Jeff committed the least errors in a 2-1 victory over Capuchino last Wednesday.

Five errors, three by shortstop Neil Calhoon, of the Mustangs, allowed Karl Keeling to tally the first run in the third inning. The run tied the game as two Jeff errors had gifted Cap to a run in the first frame. George Claus walked in the seventh and reached third on two passed balls. He scored as Calhoon committed his fifth error, allowing Mike Kennedy's grounder to roll through his legs.

In a make-up of a previously twice postponed game, Jeff lost to Capuchino, 7-3 at the Mustangs' diamond. Claus made his first pitching appearance, walking four, striking out two and allowing six hits. Freshman Wally Bunker was the winner, allowing eight hits, three each by Rich Mortola and J. B. Berry who had perfect days at the plate.

Jeff lost the finale to South City, also 7-3, at the Warriors' diamond Friday. Stan Montalbo was the loser while surrendering nine hits. Dan Emmett allowed two hits to Berry and one each to Keeling, Claus, Jack Fuertes and Bobby With.

## Banker Makes Straight Shot—Hole In One At Chamber Golfing

**An Assistant Bank Manager at the Westlake branch knows where to salt the goods away.**

**Louis Gazzano connected on the 125 yard try to sink a hole in one during the annual Daly City Chamber of Commerce Golf Tourney held last Thursday at Lake Merced Golf Course.**

**Gazzano's prize was a wood and gold framed clock with a No. 1 on top including a hole going through the numeral. He also received a dozen golfballs. Chamber of Commerce member Markovich says he's going to have the downed golf ball gold plated and given to Gazzano in addition to a letter citing the banker.**

A total of 157 golfers received 198 prizes by partaking in the tourney that lasted from 8 a.m. to 6:40 p.m. A dinner capped the day's sporting event.

Daly City policeman Art Linhares showed pro form while firing a four under par 68. Markovich said that he recalls a pro taking four rounds to accomplish a four under par status and become winner at the course. Linhares did it in one round.

Linhares, a former runner-up in the San Francisco tourney in the past, edged out former SF titleholder Ed Castegnetto. Castegnetto's 71 was good for second place. Gazzano also did well in the tourney, carding a 73 to capture third place. Nelson Cullenward, golf writer for the News-Call Bulletin and an excellent lefthanded linksman, was fourth recording a 74.

Builder Tom Callan Jr. had the dubious distinction of winning the "booby prize," by taking the longest time on the course. Callan had a grand total of 137 to finish with the highest score.

## Ram Linksmen Tie For Championship With Burlingame

Westmoor's golfers finally caught up with Burlingame at the Peninsula League tourney, beating the Panthers in the classic to tie for the championship with 14 points apiece. It was the second year in a row that Westmoor tied for the championship. Last year's co-champ was San Mateo.

The Rams used 319 strokes to accomplish a seven stroke win over the Panthers. The tourney was worth three points to the Rams who had entered with a 11-3 record. Burlingame was 12-2 during league play. Mills was third and Capuchino second.

Bob Snyder was medalist with a one under par 71. Following him was Bob Enslow who shot a 75. Mike Seelig, of the Rams, and Burlingame's Mike Jedin tied for third with a 76 card apiece.

Jim Roman had an 84 while Sam Malta recorded an 88. Marty Seelig was scratched from the tourney due to taking a practice shot.

Westmoor should again be a contender next year as Snyder and both Seeligs will be back.

## THREE JEFF PLAYERS ON 2ND TEAM

Barry Krohn's selection as Player of the Year highlighted the choices of the Peninsula Sportswriters Association All-Peninsula League baseball team for 1960.

Three teams, Westmoor, San Mateo and Hillsdale dominated the first team. Westmoor and San Mateo each had four members while Hillsdale had three (including Coach of the Year Frank McGraw).

Westmoor and Jefferson dominated the second team, placing three men each.

The Rams placed Krohn, Ed Walthard, Rich Morales and Terry Christman on the first nine, and Tom McHugh, Bill Dougherty and Don Katona on the second to completely dominate the first 22 best ballplayers.

Jefferson's second team choices were Karl Keeling, Rich Mortola and Sonny Stoller.

Unanimous choices were Krohn, Larry Werner (Hillsdale), Woody Knapp (San Mateo), Dixie Howell (Capuchino), Morales and John Hansen (San Mateo).

Voting for Player of the Year was Krohn, 3 votes, and one apiece for Morales and Werner. Krohn's choice as utility man was due to his strong batting as well as remarkable pitching. He hit over .300 while recording a 5-1 mark.

Christman nudged out teammate McHugh for a first string berth due to his more consistent hitting though McHugh was the long ball hitter in the Rams attack.

Seven seniors and four juniors were picked for the first team. Westmoor's young team had three of the juniors, Krohn, Christman and Morales. Walthard is a senior.

Bunker, Cap's smooth pitcher, was picked to the second club and is the only freshman within the league's finest. Katona, of the Rams, was the only sophomore.
